1. INTRODUCTION

This Module applies if you use Tencent Cloud WeData, ("**Feature**"). This Module is incorporated into the privacy policy located at ("[Privacy Policy](#)"). Terms used but not defined in this Module shall have the meaning given to them in the Privacy Policy. In the event of any conflict between the Privacy Policy and this Module, this Module shall apply to the extent of the inconsistency.

2. CONTROLLERSHIP

The controller of the personal information described in this Module is as specified in the Privacy Policy.

3. AVAILABILITY

This Feature is available to users globally but primarily intended for users located in the same country/region as the selected service region for optimal performance.

4. HOW WE USE PERSONAL INFORMATION

We will use the information in the following ways and in accordance with the following legal bases:

| Personal Information | Use | Legal Basis |
|---|---|--|
| Task Log Data , including availability zone, cluster name, cluster description, calculated CU number (number of CVM's CPU), VPC (Virtual Private Cloud), storage (data for allocation of storage determined by user, aiming to design data storage), automatic renewal, purchase time (when the order is generated), hardware, | We use this information for the purpose of providing this Feature to you, and for maintenance and troubleshooting purposes. | We process this information as it is necessary for us to perform our contract with you to provide the Feature. |

| | | |
|--|--|--|
| software, and/or system errors, and monitor events that occur in the system. | | |
| Billing Data , including APPID, UIN, billing mode, total amount, any voucher deductions, total cost, expenditure trend, tax amount, fee details (i.e. subscription fee, data integration resource fee, data scheduling resource fee). | We use this information for billing purpose. | We process this information as it is necessary for us to perform our contract with you to provide the Feature. |

5. HOW WE STORE AND SHARE PERSONAL INFORMATION

As specified in the Privacy Policy.

6. DATA RETENTION

We will retain personal information in accordance with the following:

| Personal Information | Retention Policy |
|----------------------|--|
| Task Log Data | We retain this for as long as you use the Feature. We delete this data within 30 days following the earlier date of (i) you terminating your subscription for the Feature, (ii) the Feature ceasing to be offered, (iii) or the termination or deletion of your account. |
| Billing Data | This is retained for 12 months following the earlier date of (i) you terminating your subscription for the Feature, (ii) the Feature ceasing to be offered, (iii) or the termination or deletion of your account. |

Data Processing And Security Agreement

Last updated : 2024-11-11 16:50:34

1. BACKGROUND

This Module applies if you use Tencent Cloud WeData, ("**Feature**"). This Module is incorporated into the Data Processing and Security Agreement located at ("**DPSA**"). Terms used but not defined in this Module shall have the meaning given to them in the DPSA. In the event of any conflict between the DPSA and this Module, this Module shall apply to the extent of the inconsistency.

2. PROCESSING

We will process the following data in connection with the Feature:

| Personal Information | Use |
|---|---|
| <p>Configuration Data, including:</p> <p>a. Instance information: database IP address (whether public cloud database or private database), your database account (whether Tencent or non-Tencent cloud UIN), your database password</p> <p>b. Feature configuration information: data source type (e.g. HIVE, iceberg, spark sql etc.), data source name, database id/name/description, table (inside the database) id/name/description, database related project id/name/description, Feature-related task id/name/description, storage</p> | <p>We only process this data for the purposes of providing the Feature to you.</p> <p>Please note that we have no access to the personal data, if any, stored in the database or control over the data.</p> <p>Please note that this data is stored and backed up in execution resources purchased by you, such as EMR, DLC, ClickHouse, MySQL, COS, etc.</p> |
| <p>Operational Data, including the total number of projects, total number of tables, total number of storage, data types, and table use frequency.</p> | <p>We only process this data for the purposes of providing the Feature to you.</p> <p>Please note that this data is stored and backed up in execution resources purchased by you, such as EMR, DLC, ClickHouse, MySQL, COS, etc.</p> |

3. SERVICE REGION

As specified in the DPSA.

4. SUB-PROCESSORS

As specified in the DPSA.

5. DATA RETENTION

We will store personal data processed in connection with the Feature as follows:

| Personal Information | Retention Policy |
|---|---|
| Configuration Data and Operational Data | We retain such data until you manually delete such data. Otherwise, we will delete such data within 7 days of you ceasing to use this Feature or you deleting your account. |

You can request deletion of such personal data in accordance with the DPSA.
