Different ICP Filing Scenarios

ICP Filing Process

How to Apply

01	02
Open the Weixin Mini Program for ICP filing	Fill in the ICP filing information
Scan the QR code to enter the ICP Filing mini program	
03	04
Tencent Cloud China reviews the information	The communications administration bureau reviews the information
1–2 business days	Around 20 business days
05	
Obtain ICP filing	

After Filing

01 ······	02 Add ICP filing number to the website
03 Add copyright notice to the website (optional)	04 ·····

Add a copyright notice to the website (optional)

After you add the ICP filing number to your website, some provincial communications administration bureaus (such as Jiangsu) also suggest adding a copyright notice at the bottom of the website. The copyright owner name must be the same as the filing entity.

Public Security Bureau (PSB) filing

Within 30 days after obtaining an ICP filing for your website from MIIT, you must log in to the National Internet Security Management Service Platform to submit the PSB filing application.

Within 30 days after passing the PSB filing review, you must log in to the National Internet Security Management Service Platform, copy your **website's PSB filing number** in the details of your filed website, download the **filing number icon**, and add the icon with your PSB filing number to the bottom of your web page.
